**BACKGROUND:** This ordinance is for the option to establish a Universal Term Contract for Seepex Pump Parts for the Division of Sewerage and Drainage, the sole user. This contract will provide for purchase of various repair parts for pumps used at the Jackson Pike Wastewater Treatment Plant to convey secondary settled raw sludge from gravity thickening facilities to the sludge control buildings for dewatering. The term of the proposed option contract would be approximately two and ½ years, expiring March 31, 2014, with the option to renew for one (1) additional year. The Purchasing Office opened formal bids on October 13, 2011.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA004114). Twenty-three (23) bids were solicited: (M1A-0, F1-0, MBR-1). Three (3) bids were received.

The Purchasing Office is recommending award to the overall lowest, responsive, responsible and best bidder that bid all items as follows:

Buckeye Pumps, Inc., MAJ, CC# 34-1391917 expires 11/02/2013, All Items, \$1.00  
Total Estimated Annual Expenditure: \$25,000.00, Division of Sewerage and Drainage, the sole user

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search. This ordinance is being submitted as an emergency because, without emergency action, there would be a potential pause in wastewater treatment services.

**FISCAL IMPACT:** Funding to establish this option contract is budgeted in the Mail, Print Services and UTC Fund Account. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.
