File #: 0232-2005, **Version:** 1

BACKGROUND: The need exists to enter into an Enterprise Zone Agreement with Buckeye Distributing, Inc. The Ohio Enterprise Zone law O.R.C. Section 5709.62 (3) requires the City to enter into a Council-approved agreement between the City and participating companies.

Buckeye Distributing, Inc. plans to build a 24,000 square foot facility to accommodate expansion and relocation. The project will include an investment of \$2,140,000 in real property improvements, machinery & equipment, furniture & fixtures, and new inventory, the relocation/retention of 19 (nineteen) full-time permanent jobs, which will be new to Columbus, and the creation of 11 (eleven) full-time permanent jobs.

The Department of Development recommends a 60%/6 year tax abatement on real property improvements, machinery & equipment, furniture & fixtures, stand-alone computers, and new inventory. The proposal is consistent with the Columbus Tax Incentive Policy under Edge City projects.

Emergency action is requested of City Council in order to facilitate a project start.

The Hilliard District has been advised of this project.
