File #: 1818-2024, **Version:** 1

BACKGROUND:

This legislation authorizes the Director of the Department of Development to execute grant agreements with numerous not-for-profit, social service agencies for the third and final year of the department's Elevate! 1.0 program. See attached Exhibit A for the list of 45 not-for-profit social services agencies included in this ordinance. The total amount awarded to these agencies is \$4,675,000.00. The term of each Grant Agreement shall be either a 12-month or an 18-month period beginning July 1, 2024. Additional Elevate! 1.0 dollars are being allocated to other agencies in separate pieces of legislation.

Columbus, renowned as America's Opportunity City, remains a beacon of potential and hope for its residents. Nevertheless, a significant portion of the population faces challenges stemming from personal, societal, structural, and economic factors, which impede their full participation in the city's myriad opportunities. Acknowledging the complexity of these challenges, the City is committed to implementing a comprehensive solution and is responsible for driving transformative changes to establish equitable opportunities for all residents.

The Elevate! Initiative plays a pivotal role in effecting this transformative change. This initiative allocates funding to support 112 distinct non-profit organizations categorized into two programs, denoted as 1.0 and 2.0, collectively addressing 16 of the 21 aspirations outlined in The Mayor's Opportunity Rising. Through various means, the Elevate! Initiative promotes and provides opportunities for collaboration, learning, and resource sharing among member agencies, ensuring that every community member they serve can access the services needed based upon their unique circumstance.

The Elevate! 1.0 NOFA (Notice of Funding Availability) was advertised from April 22, 2022, through May 13, 2022, on the City's Website (Department of Development webpage), the Human Service Chamber of Franklin County's website, and by press release. The City received 86 proposals for \$9,875,000.00 in requests. Forty-eight community agencies were recommended for the \$5,000,000.00 in available funding.

Funding will be advanced to each agency on a predetermined schedule. Advancement of funds is needed because many of the organizations do not have funding available to be reimbursed for program expenses. The first advance will occur after confirmation of the Purchase Order. Before the second advance is made, the agency shall provide reports and documentation indicating how the funds were used to fulfill the scope of services in the grant agreement. Additionally, these programs/grant agreements may include reasonable food and non-alcoholic beverages for participants of the programs of the below listed organizations only, in which the expenditure is hereby deemed a valid public purpose in that such purchase will address the immediate needs of program participants. Funding of food and non-alcoholic beverages is hereby deemed an operating expense of the following organizations:
