File #: 3082-2015, **Version:** 1

BACKGROUND: Columbus Public Health has been awarded a grant from the Ohio Department of Health. This ordinance is needed to accept and appropriate \$1,056,729.00 in grant money to fund the Federal HIV Prevention grant program, for the period January 1, 2016 through December 31, 2016.

The Federal HIV Prevention grant program enables Columbus Public Health to provide culturally and linguistically appropriate HIV counseling and testing/referral; partner counseling; and health education/risk reduction behavior modification programs. Services are provided to residents of Columbus and Franklin County, with special emphasis on men who have sex with men, individuals with high risk sexual contact, youth, injection drug/substance users, and African-American women.

This ordinance is submitted as an emergency so as to allow the financial transaction to be posted in the city's accounting system as soon as possible. Up to date financial posting promotes accurate accounting and financial management.

FISCAL IMPACT: The Federal HIV Prevention Grant Program is entirely funded by the Ohio Department of Health and does not generate revenue or require a city match.
