Legislation Text

File #: 1916-2007, **Version:** 1

Background: This legislation authorizes the Finance and Management Director to modify a contract for the Facilities Management Division with Physical Planning Technologies, LTD (PPT) for server hosting and annual software support and updating for a Comprehensive Municipal Capital Planning and Asset Management System. The original contract for PPT was authorized in the amount of $497,113 by Ordinance 0603-2005, passed July 20, 2005. It provided a software application for a Capital Planning Management System, as well as training and software support. It was modified by Ordinance 1907-2005, passed December 8, 2005, in the amount of $36,000 and by Ordinance 2232-2006, passed 12/13/2006, in the amount of $22,070. These modifications provided for server hosting and software support, respectively. The modification authorized by this ordinance will extend the server hosting and software support for an additional year (09/01/2007 to 08/31/2008). It will be impractical to bid these services, as no other company can provide server hosting and software support for PPT products.

Emergency action is requested so that proper management of city capital and operational projects is not delayed.

Fiscal Impact: The amount of this modification is $50,400.00. The contract was originally authorized by Ordinance 0603-2005 ($497,113) and modified by Ordinance 1907-2005 ($36,000) and Ordinance 2232-2006 ($22,070).   Upon passage of this ordinance, the total cost of this contract will be $605,583. Funding is available in the 2007 General Fund budget. Physical Planning Technologies LTD Contract Compliance Number 98-0400011, exp. 02/18/2008.

To authorize the Finance and Management Director to modify a contract for the Facilities Management Division with Physical Planning Technologies, LTD, for server hosting and software support for a Comprehensive Municipal Capital Planning and Asset Management System, to authorize the expenditure of $50,400.00 from the General Fund, and to declare an emergency. ($50,400.00).

WHEREAS, Ordinance 0603-2005, passed July 20, 2005, authorized the Facilities Management Division to enter into contract with Physical Planning Technologies, LTD for a Municipal Capital Planning and Asset Management System, and

WHEREAS, it is necessary for the Finance and Management Director to modify a contract with Physical Planning Technologies, LTD in order to provide server hosting and software support for an additional year for a Comprehensive Municipal Capital Planning and Asset Management System, and

WHEREAS, an emergency exists in the usual daily operation of the Finance and Management Department, Facilities Management Division, in that it is immediately necessary to authorize the Finance and Management Director to modify a contract with Physical Planning Technologies, LTD for software support and server hosting for a Comprehensive Municipal Capital Planning and Asset Management System, so that proper management of city capital and operational projects is not delayed, thereby preserving the public health, peace, property, safety and welfare; now, therefore:
