Work to be completed by this contract consists of the installation of approximately 100 private sewer laterals utilizing the Cured-in-Place Pipe (CIPP) process including installation of cleanout, point repairs, and lateral tap lining. The work under this contract shall be completed in a manner acceptable to the City within 270 calendar days after the effective date of the Notice to Proceed.

The contract was advertised in the City Bulletin, and bids were received on August 27, 2008, as follows:

 2. Dreier & Maller, Inc. | Majority Firm | \$1,250,160.00
- The Engineer's construction cost estimate was \$912,420.00

The apparent low bidder, United Survey, Inc., did not provide the necessary Sewer Tapper's License Number or list of subcontractors as required under section M-5. Also, the apparent low bidder's attachments for Section HE-12 did not provide the necessary information requested of the bidder. These omissions by United Survey, Inc. resulted in their bid being deemed non-responsive.

Award is recommended to the lowest and best bidder.
