Legislation Text

File #: 1147-2005, **Version:** 1

BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a contract with the Greater Columbus Chamber of Commerce. The contract is a cooperative funding agreement between the Chamber and The City of Columbus for the pursuit of federal funding for transportation and infrastructure improvement projects within the City of Columbus and Franklin County region. The City of Columbus, as the 15th largest US city, is now joining other major metropolitan areas in requesting funding for projects through the Transportation Reauthorization Bill. This is a collaborative effort involving the City of Columbus, Greater Columbus Chamber of Commerce, the Columbus Partnership, Central Ohio Transit Authority, Columbus Regional Airport Authority, Capitol South, and the Columbus Downtown Development Corporation.

As the services of the consultant will benefit not only the Chamber but also the mission of the City of Columbus, the City has agreed to reimburse the Chamber for a portion of the Chamber's required payments to the consultant.

Emergency action is requested so that the consultant's services can be made available immediately.

FISCAL IMPACT: Funds for this contract are provided from the FY 2005 General Fund budget. \$43,048 was contracted in 2004 and \$75,000 in 2003.

To authorize the Director of the Department of Development to enter into a contract with the Greater Columbus Chamber of Commerce; to authorize the expenditure of \$34,020 from the General Fund; and to declare an emergency. (\$34,020)

WHEREAS, the Director of the Department of Development desires to enter into a contract with the Greater Columbus Chamber of Commerce to support the pursuit of federal funding for transportation and infrastructure improvement projects within the City of Columbus and Franklin County region, and

WHEREAS, the Chamber will also provide guidance and consultation regarding resources to support municipal technology and Homeland Security/Emergency Preparedness initiatives; and

WHEREAS, as consultant services will benefit not only the Chamber but also the mission of the City of Columbus, the City has agreed to reimburse the Chamber for a portion of the Chamber's required payments to the Consultant; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development in that it is immediately necessary to enter into contract with the Greater Columbus Chamber of Commerce so that the consultant's services can be made available immediately, all for the immediate preservation of the public health, peace, safety and welfare; **NOW, THEREFORE**,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
