The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (SA002668. Six (6) bids were solicited. Two (2) bids were received.

The Purchasing Office is recommending award of contract to the lowest, responsive, responsible and best bidders:

NAPA Auto Parts / Secondary CC#580254510 (Expires 03-03-08)

Total Estimated Annual Expenditure of \$36,000.00

These companies are not debarred according to the Federal Excluded Parties Listing or the State Auditor's Findings For Recovery Database.

This ordinance is being submitted as an emergency because, without emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Purchasing UTC Account. Fleet Management will be required to obtain approval to expend from their appropriations for their estimated annual expenditures.

(\$2.00).

WHEREAS, the Purchasing Office advertised and solicited formal bids on November 8, 2007 and selected the lowest, responsive, responsible and best bids; and

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, because these parts are used to repair and maintain City vehicles, this is being submitted for consideration as an emergency measure; and

WHEREAS, an emergency exists in the usual daily operation of Fleet Management in that it is immediately necessary to enter into a contract for an option to purchase Refurbished Alternators and Starters, thereby preserving the public health, peace, property, safety, and welfare; now, therefore,
