BACKGROUND: The Council of the City of Columbus previously adopted an ordinance authorizing the Director of the Department of Development to approve petitions submitted by the owners of real property within the City requesting that their property be added to the territory of the Columbus Regional Energy Special Improvement District (the “District”) and plans for public improvements and public services attached to those petitions for and on behalf of the Council.

Under the authority granted by that ordinance, the Director of the Department of Development has approved eight petitions for the addition of certain real property to the District and plans for public improvements and public services attached to those petitions for and on behalf of the Council. This legislation is to levy such special assessments, all pursuant to Chapters 727 and 1710 of the Ohio Revised Code, and pursuant to the Charter of the City of Columbus.
