BACKGROUND: This ordinance is contingent upon the passage of appropriation Ordinance No. 0052-2012. The City of Columbus received funds for the Housing Opportunities for Persons with AIDS (HOPWA) program from the U.S. Department of Housing and Urban Development (HUD).

The HOPWA program provides for the implementation of long-term comprehensive strategies for meeting the housing needs of low income persons with HIV/AIDS and their families. Eligible activities include providing housing information services; resource identification; acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services; new construction of housing units; project or tenant-based rental assistance; short-term rent, mortgage and utility payments; supportive services; technical assistance and administrative support. The Board of Health will contract with AIDS Resource Center Ohio and Lancaster Fairfield Community Action Agency to provide these services.

AIDS Resource Center Ohio (Contract Compliance No. 311126780) and Lancaster Fairfield Community Action Organization (Contract Compliance No. 316060695) submitted proposals during an RFP process completed in November 2010 (SA003738). These agencies are the only providers at this time who specialize exclusively in assisting income-eligible individuals/households living with HIV/AIDS in the eight county EMSA. These contracts are for the second year of a two year contract period. These agencies are nonprofit organizations and are therefore exempt from certification.

Emergency action is requested in order to avoid any delays in providing program services.

FISCAL IMPACT: These contracts are entirely funded by grant awards from HUD. This grant does not generate revenue or require a City match. This ordinance is contingent upon the passage of appropriation Ordinance No. 0052-2012.

To authorize the Board of Health to enter into contracts with AIDS Resource Center Ohio and Lancaster Fairfield Community Action Agency for the provision of eligible HOPWA services for the period of January 1, 2012 through December 31, 2012; to authorize the expenditure of \$886,723.00 from the General Government Grants Fund, and to declare an emergency. (\$886,723.00)

WHEREAS, Columbus Public Health has received funding from the U.S. Department of Housing and Urban Development for the implementation of comprehensive strategies for meeting the housing needs of persons with HIV/AIDS under the HOPWA program; and,

WHEREAS, in order to ensure continued service provisions under the program, it is necessary to enter into contracts with community agencies for the provision of housing services for persons with HIV/AIDS and their families; and,

WHEREAS, the contract period is January 1, 2012 through December 31, 2012; and,

WHEREAS, an emergency exists in the usual daily operation of the Health Department in that it is immediately necessary to enter into these contracts for the immediate preservation of the public health, peace, property, safety and welfare, and to avoid any delay in client services; Now, therefore,
