File #: 0263-2010, **Version:** 1

Need: The Civil Service Commission needs to modify the contract and increase the maximum authorized expenditure in the contract with the Ohio State University for pre-employment physicals and cardiovascular stress testing of public safety recruits in preparation for a Fire Academy class in 2010.

Bid Information: In 2007, the City of Columbus Civil Service Commission published a Request for Proposals (SA002707) for these services and accepted proposals through December 13, 2007. Four proposals were submitted, an evaluation committee reviewed these proposals, and the Commission selected the Ohio State University (Ordinance 0536-2008).

Emergency Designation: Emergency legislation is requested in order to allow sufficient time for the Division of Fire to process firefighter applicants, provide notice to applicants, and schedule medical appointments.

Contract Compliance Number: 31-6025986, governmental agency, no expiration date.

FISCAL IMPACT: Funding for this service was budgeted in the Division of Fire's 2010 general fund budget as part of Council amendments. Therefore, it is necessary to transfer the funds needed for this contract from the Department of Public Safety, Division of Fire to the Civil Service Commission.
