BACKGROUND: This ordinance is for the creation of a Universal Term Contract for the option to purchase Tires on an as needed basis by the Department of Finance and Management Division of Fleet Management. These Tires are necessary to maintain the various City vehicles in proper working order. The term of the proposed option contract would be through September 30, 2016 with the option to renew for one (1) additional year subject to mutual agreement. The Purchasing Office opened formal bids on July 17, 2014.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA005482). Thirteen (13) Bids were solicited: (F1-1) Three (3) Bids were received.

Two bidders deemed responsive and responsible (Bob Sumerel Tire Co. and W. D. Tire Warehouse) tied for lowest bidder bidding the same catalogs and discounts. To break the tie a coin was tossed by the procurement manager and called by the procurement administrative officer. The Purchasing Office is recommending award to the lowest, responsive, responsible and best bidder that won the toss..
