1. BACKGROUND:

The City of Columbus, Department of Public Service, received a request from Kenneth A. Turner, asking that the City sell a 0.024 acre portion of the east/west right-of-way south of Bryden Road between Carpenter and Twentieth Streets. Transfer of this right-of-way will allow for the development of property adjacent to the above noted right-of-way, owned by Mr. Turner. Per current practice, comments were solicited from interested parties, including City agencies, private utilities and the applicable area commission, before it was determined that, subject to the retention of a general utility easement for those utilities currently located within this right-of-way, the City will not be adversely affected by the transfer of this right-of-way. The Department of Public Service submitted a request to the Department of Law, Real Estate Division, asking that they establish a value for this right-of-way. A value of \$525.00 was established for this right-of-way. After review of the request, the Land Review Commission voted to recommend the above referenced right-of-way be transferred to Mr. Turner for the amount of \$525.00.

2. FISCAL IMPACT:

The City will receive a total of \$525.00 that will be deposited in Fund 748, Project 537650, as consideration for the transfer of the requested right-of-way.

To authorize the Director of the Department of Public Service to execute those documents required to transfer a 0.024 acre portion of the east/west right-of-way south of Bryden Road between Carpenter and Twentieth Streets, adjacent to property owned by Kenneth A. Turner.

WHEREAS, the City of Columbus, Department of Public Service, received a request from Mr. Kenneth A. Turner asking that the City transfer a 0.024 acre portion of the east/west right-of-way south of Bryden Road between Carpenter and Twentieth Streets, adjacent to property owned by Kenneth A. Turner, to him; and

WHEREAS, acquisition of the right-of-way will facilitate improvements to the adjacent property owned by Mr. Kenneth A. Turner; and

WHEREAS, the City of Columbus, Department of Public Service, Division of Planning and Operations, by this transfer, extinguishes its need for this public right-of-way; and

WHEREAS, per current practice, comments were solicited from interested parties, including City agencies, private utilities and applicable area commissions, before it was determined that, subject to the retention of a general utility easement for those utilities currently located within this right-of-way, the City will not be adversely affected by the transfer of this right-of-way to Mr. Kenneth A. Turner; and

WHEREAS, the Department of Public Service submitted a request to the Department of Law, Real Estate Division, asking that they establish a value for this right-of-way; and

WHEREAS, a value of \$525.00 was established for this right-of-way; and

WHEREAS, the Land Review Commission voted to recommend that the above referenced right-of-way be transferred to

Mr. Kenneth A. Turner for the amount of \$525.00; and now therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
