File #: 0200-2016, Version: 1

---

### **BACKGROUND:**

This legislation authorizes the Director of the Department of Technology (DoT), on behalf of the Department of Public Safety, to continue an annual software maintenance and support agreement, for the CommSHOP 360 Solution software application, with MCM Technology LLC. The original contract (FL003370) was awarded to MCM Technology in 2006 (through solicitation SA002175) by authority of ordinance 1986-2006, passed December 4, 2006. The contract was most recently continued by authority of ordinance 0204-2015, passed February 9, 2015, through purchase order EL016776. This ordinance will provide for payment of the annual software maintenance and support agreement, with the coverage period from April 1, 2016 through March 31, 2017, at a cost of \$23,406.93.

The Department of Technology requires technical support and software maintenance services, from MCM Technology LLC to support ongoing operations of the City's CommSHOP 360 Solution software application, which supports the Department of Public Safety's communications systems. Without the software maintenance and support services provided by MCM Technology LLC, the City will not be able to utilize this application. Also, this agreement will allow the City to continue receiving software upgrades, support and related services for the CommSHOP 360 Solution software application. This application manages support, maintenance, and asset tracking of the Department of Public Safety's communications systems, enhances productivity and improves performance.

MCM Technology LLC is the sole proprietor and copyright holder of the CommSHOP 360 Solution software application. Accordingly, MCM Technology LLC is also the sole source of supply for upgrades, maintenance, support, new releases and additional copies of these products. For this reason, this ordinance is being submitted in accordance with the provisions of Sole Source procurement of the City of Columbus Section 329.

### **FISCAL IMPACT:**

During the past two years (2014 and 2015), the Department of Technology expended \$21,640.05 and \$22,505.66 respectively with MCM Technology LLC for software maintenance and support services for the CommSHOP 360 Solution software application. The 2016 cost for the annual software maintenance and support agreement is \$23,406.93. This expenditure was budgeted and is available within the Department of Technology, direct charge agency, information services operating fund. Including this request, the aggregate total contract amount is \$341,781.91. This ordinance is contingent on passage of the 2016 City of Columbus Operating Budget.
