Council Variance Application: CV15-062

APPLICANT: Jeff May; c/o Michael J. Maistros, AIA; 4740 Reed Road, Suite 201; Columbus, OH 43220.

PROPOSED USE: Multi-unit residential development.

COLUMBUS SOUTHSIDE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance No. 1182-2016; Z15-046) to the AR-3, Apartment Residential District to allow the development of a 163-unit apartment complex. The requested variances will permit commercial access through the AR-3 district and modifies landscaping and screening requirements, dumpster area requirements, and perimeter yard. These reduced development standards are supportable because they allow for better design and building placement on this urban-infill site and concentrates density near adjacent commercial developments along the Parsons Avenue corridor.

To grant a Variance from the provisions of Sections 3333.03, AR-3, Apartment Residential District use; 3312.21, Landscaping and screening; 3321.01(A), Dumpster area; 3321.07(B), Landscaping; and 3333.255, Perimeter yard, of the Columbus City Codes; for the property located at **587 LEHMAN STREET (43206)**, to permit a 163-unit apartment complex with reduced development standards in the AR-3, Apartment Residential District (Council Variance # CV15-062). **(REPEALED BY. ORD 2573-2016; PASSED 10/24/2016)**

WHEREAS, by application No. CV15-062, the owner of property at **587 LEHMAN STREET (43206)**, is requesting a Council variance to permit a 163-unit apartment complex with reduced development standards in the AR-3, Apartment Residential District; and

WHEREAS, Section 3333.03, AR-3, Apartment Residential District use, prohibits vehicular access for commercial uses from being located on residentially zoned property, while the applicant proposes to allow commercial access to adjacent properties; and

WHEREAS, Section 3312.21, Landscaping and screening, requires one (1) tree per ten (10) parking spaces, a total of five (5) trees for 46 parking spaces, while the applicant proposes providing zero (0) parking lot trees, but will provide 24 trees dispersed throughout the site and within the street right-of-way; and

WHEREAS, Section 3321.01, Dumpster area, requires that a dumpster not be located in any required yard, while the applicant proposes a dumpster enclosure in the required perimeter yard as shown on the Site Plan; and

WHEREAS, Section 3321.07(B), Landscaping, requires one (1) tree per ten (10) residential units, a total of 17 trees on the subject site for 163 units, while the applicant proposes providing a total of 24 trees dispersed throughout the site and outside of the site within the street right-of-way; and

WHEREAS, Section 3333.255, Perimeter yard, requires a minimum perimeter yard of 25 feet, while the applicant

proposes perimeter yards of zero (0) to 19.29 feet to allow driveways, parking, and structures within the required perimeter yard; and

WHEREAS, the Columbus Southside Area Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested variances are reflective of higher-density infill development in close proximity to commercial development along the Parsons Avenue corridor; and

WHEREAS, said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **587 LEHMAN STREET (43206)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

That variances from the provisions of Sections 3333.03, AR-3, Apartment Residential District use; 3312.21, Landscaping and screening; 3321.01(A), Dumpster area; 3321.07(B), Landscaping; and 3333.255, Perimeter yard, of the Columbus City Codes, are hereby granted for the property located at **587 LEHMAN STREET (43206)**, insofar as said sections prohibit vehicular access for commercial uses from being located on residentially zoned property; with zero (0) parking lot trees where five (5) are required, and 24 trees dispersed throughout the site and in the street right-of-way to count towards parking lot trees and the one (1) tree required tree per ten (10) residential units (17 total); allowing the dumpster enclosure in the perimeter yard; and a reduced perimeter yard from 25 feet to between zero (0) and 19.29 feet; said property being more particularly described as follows:
