Comunale Company, Inc. for annual smoke and fire alarm testing, inspection and repair and sprinkler inspections, fire pump testing, and fire suppression testing for City-owned facilities under the purview of the Facilities Management Division.

The original contract was authorized by Ordinance No. 0726-2008, passed with four one-year renewal options. Emergency action is requested to allow fire alarm, smoke alarm, sprinkler and pump testing to begin without delay. This is important life/safety equipment and a delay could lead to building code violations.
