1. BACKGROUND

This ordinance authorizes the Director of Public Utilities to renew and increase a professional services contract with RAMA Consulting for the Blueprint Columbus Public Information Outreach Project, CIP 650004-100005, in an amount up to \$462,098.61, to pay for continuation of services.

The services provided in the Blueprint Columbus Public Information Outreach Project consist of: supporting the implementation of Blueprint Columbus in multiple project areas; educating and informing residents about Blueprint Columbus and the problem being addressed; providing adequate notification and keeping residents in project areas apprised of work being performed in their neighborhood; advising the City regarding residents’ concerns; and providing training or additional support for contractors and City field and other staff as needed.

The Community Area for this project is “99-Citywide” since the project spans more than one Community Area.

1.1 Future Renewals/Modifications: The original contract authorized by Ordinance No. 3157-2021 projected needing services through 2032. Renewals are anticipated every few years to add funds to continue services.

1.2 Amount of additional funds to be expended: \$462,098.61

Original Contract	\$360,450.51 (ORD 3157-2021; PO306242)
Renewal No. 1 (Current)	\$462,098.61
Future Renewals (Estimated amount)	<u>\$2,687,901.39</u>
TOTAL ESTIMATED COST	\$3,510,450.51

1.3 Reason other procurement processes are not used: Substantial information and knowledge has been developed by the consultant through work performed during the first years of the contract. If the work to be performed under this renewal was to be bid out separately, tasks already completed would be performed repetitively causing delays and incurring additional cost.

1.4 How the cost of renewal was determined: Through negotiations between RAMA Consulting and the Department of Public Utilities.

2. ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT

Administration of the Blueprint Columbus Public Information Outreach Project contract ensures community input is received and utilized to design the best solutions for unique neighborhood needs. Not only does this help Blueprint develop comprehensive solutions for our community, it also helps create an efficient process that reduces excessive costs resulting from engineering redesigns and timeframe extensions associated with addressing resident concerns through a less formal process.

3. CONTRACT COMPLIANCE INFORMATION

RAMA Consulting’s contract compliance number is CC-001370 and expires 09/13/23.

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) are not required for this contract renewal as no Federal or State funds will be expended on the contract.

4. MINORITY AND WOMAN OWNED BUSINESS ENTERPRISE & SMALL LOCAL BUSINESS

ENTERPRISE PROGRAM

This contract was put in place prior to the implementation of the City of Columbus MBE/WBE Program and is not subject to the requirements of that program. RAMA Consulting is classified as an MBE company by the City’s Office of Diversity and Inclusion. Per the Utilization Plan submitted with this ordinance, RAMA consulting plans to perform all needed services on this contract, so the anticipated contract spend is 100% MBE.

5. FISCAL IMPACT

Funds are available and appropriated within the Sanitary Bond Fund, Fund 6109. An amendment to the 2022 Capital Improvement Budget is needed to align budget authority with the proper project. A transfer of cash and appropriation within the Sanitary Bond Fund is also needed to align cash and appropriation with the proper project.
