

Legislation Text

File #: 2135-2022, **Version:** 1

BACKGROUND: This legislation authorizes the Director of the Department of Development to modify a non-profit service agreement with Gladden Community House to extend the agreement for a twelve-month period that begins on or after January 1, 2022. This agreement was first awarded in 2019, renewed in 2020, modified in 2021, and will be modified again in 2022 in an amount up to \$100,000.00.

In 2018, a request for proposals (RFP) was issued via direct email to agencies (and City partners to send to their networks of agencies), by press release, and posting on the City's website. The City received 142 proposals representing 101 agencies with over \$19 million in requests. Of those, 44 programs were selected for funding in 2019 and agreements were authorized under ordinance 1170-2019. These agreements were renewed in 2020 under the authority of ordinance 0571-2020.

Historically, the department has done a RFP effort every two years and under normal circumstances such an effort would have been in late 2020 for 2021. Due to COVID-19 and its impact on the nonprofit sector and department priorities, the department had elected to extend these agreements in FY 2021 through an agreement modification, authorized by ordinance 0388-2021. Due to similar COVID-19 related circumstances in 2021, the department is electing to extend these agreements for FY 2022 through an agreement modification.

This ordinance includes authorization for one program with authorization for the remaining programs being submitted under separate ordinances.

It is the department's intent to "modify" this agreement, which means executing the modification before the prior agreement has expired. Should circumstances prevent that, the agreement will be processed as an "original" agreement with the same scope of services as the original agreement in 2019 and up to the amount of this ordinance.

Currently, it is the department's intent to do a RFP process in late 2022 for FY 2023 non-profit service agreements.

The agreement will be modified pending availability of funds and program performance per the agreement with the agency. The program have performed in accordance with the agreements and is approved for a fourth year of funding.

These programs and initiatives will provide services to residents of Columbus within one or more of the City's Five Investment Strategies:

- Income through Employment
- Job Quality
- Education and Training
- Financial Capability
- Stabilization and Resource Support

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

FISCAL IMPACT: Funding for this agreement is available in the Administration Division's 2022 General Fund budget.

CONTRACT COMPLIANCE: The vendor number is 006075 and expires 4/8/2023.
