This ordinance authorizes the City Clerk to enter into grant agreements with numerous non-profit organizations (see Exhibit A attached to this ordinance) in support of grassroots, community-oriented events and services.

Columbus City Council seeks to provide support to small, grassroots, community-oriented organizations through small, high-impact grants for programs that directly serve neighborhoods and communities in Columbus. A grant process was established to reach these organizations and achieve this goal.

The following criteria were established. All grants shall be in support of community-oriented events or services. No individual grant agreement shall exceed \$20,000.00. Grants shall be paid out at two points in time to grantees, 50% in advance and 50% after the first tranche is spent or after the first three months of the grant term. All grantees must be not-for-profit organizations as defined in City Code 329.01(ff).

Many of the programs serve youth and other community members who are food insecure or otherwise host events with food-related costs. Therefore, this grant authorizes up to \$50,000.00 of food and non-alcoholic beverage expenses.

An application for the grant was published on the City Council website. City Council received 35 applications for the grant program. A review committee read all of the applications and scored them on a scale of 0 to 50 based on four criteria:

- Alignment with City Council's priorities of furthering: Affordable and Quality Housing, Good Jobs and Training, and Safe and Healthy Neighborhoods
- Provision of a direct service or benefit to local community members
- A clear plan and budget in place for the proposed program/event
- A plan to ensure that the community will be made aware of the program/event

Following an evaluation period and conversation, the committee narrowed down the group of top-scoring organizations for funding based on their geographic location, to ensure that a variety of neighborhoods and communities would be reached by the program.

The thirty five requests totaled approximately \$625,000.00 across all proposals. Sixteen non-profit organizations were recommended for the \$250,000.00 in available funding. Sixteen non-profit organizations will be awarded funding in this ordinance.

**Emergency Justification:** Emergency action is requested as it is immediately necessary to appropriate funds for necessary expenditures which will begin in June.

**Fiscal Impact:** Funding is available within the Neighborhood Initiatives subfund.
