BACKGROUND:

In 2016 and 2017, the City commissioned and received a study from HR&A on the effectiveness of its economic development incentives, including real property tax abatements in community reinvestment areas. The study concluded that the City's economic development incentive programs could be improved to better target economic development incentives to areas where the market was not yet encouraging investment. The City has developed an incentive policy to encourage development of affordable housing through targeted economic development incentives, including real property tax abatements, throughout the City. This ordinance will modify the Short North Community Reinvestment Area by authorizing the real property tax exemptions set forth by Chapter 4565 of the Columbus City Codes.

To amend the Short North Community Reinvestment Area to authorize the real property tax exemptions as established in Chapter 4565 of the Columbus City Codes.

WHEREAS, the City of Columbus has established a goal of fostering private sector investment to build mixed income neighborhoods dispersed throughout the City; and

WHEREAS, Resolution No. 1698-78, approved August 3, 1978, authorized the Department of Development to carry out a Community Reinvestment Program, pursuant to Sections 3735.65 to 3735.70 of the Ohio Revised Code, and approved certain administrative procedures for the program; and

WHEREAS, Ordinance 1292-2012 created the Short North Community Reinvestment Area and authorized real property tax exemptions within it, as provided per Ohio Revised Code; and

WHEREAS, the boundaries of the Short North Community Reinvestment Area have been amended (and/or other amendments of Ordinance 1292-2012 have been made) since its creation by Ordinance 1735-2012; and Ordinance 1282-2014; and

WHEREAS, in 2016 and 2017, the City commissioned and received a study of the effectiveness of its economic development incentives, including real property tax abatements in community reinvestment areas; and

WHEREAS, the study concluded that the City's economic development incentive programs could be improved to better target economic development incentives to areas where the market was not yet encouraging investment; and

WHEREAS, the City has developed an incentive policy to encourage development of affordable housing through targeted economic development incentives, including real property tax abatements, throughout the City;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Section 3 of Ordinance 1292-2012 is hereby amended to read as follows:

A tax exemption on the increase in the assessed valuation resulting from improvements as described herein shall be granted upon proper application by the property owner, filed with the Housing Officer no later than two years after construction completion, and certification thereof by the designated Housing Officer for the following periods:

- (a) For remodeling of a dwelling (i) containing not more than two (2) family units, upon which the cost of remodeling is at least two thousand five hundred dollars (\$2500) or twenty percent (20%) of the assessed value of the structure, whichever is more; or (ii) containing three (3) family units, upon which the cost of remodeling is at least five thousand dollars (\$5000) or twenty percent (20%) of the assessed value of the structure, whichever is more:
 - One hundred percent (100%) for fifteen (15) years in areas designated Ready for Opportunity Areas, Ready for Revitalization Areas, and Market Ready Areas.
- (b) For construction of a new dwelling containing not more than three (3) family units:

- (d) Up to one hundred percent (100%) for up to fifteen (15) years for:
 - Construction of new commercial structures (including, without limitation, retail structures and parking garages).

Designation of the Short North Community Reinvestment Area as a Ready for Opportunity Area, a Ready for Revitalization Area, or a Market Ready Area shall be made by the Development Director pursuant to Section 4565.03.

The tax exemptions provided for herein shall further be governed by the terms and conditions contained in Chapter 4565 of the Columbus City Codes, including any amendments thereto.

Section 2. For purposes of this Ordinance and Sections 3735.65 through 3735.70, inclusive, of the Revised Code, a multiple unit structure or remodeling is hereby deemed to be a “residential” structure or remodeling. The term “multiple unit” shall mean a structure or remodeling incorporating both residential and commercial uses. The entire structure does not need to be abated or qualify for abatement in order for the abatement to apply to the qualifying portions of the structure. Abatements may be claimed for, and will only apply to, portions of a structure meeting the required criteria.

A CRA Agreement meeting the requirements of Section 3735.671 of the Revised Code is required for any abatement of new commercial structures. City Council approval is required for any such agreement. That approval is in the sole discretion of City Council. The abatement provided for in this Ordinance takes precedence over any tax increment financing exemptions.
