File #: 0142-2011, **Version:** 1

BACKGROUND: The Neighborhood Design Center is a non-profit, community-based corporation. The City has funded the Neighborhood Design Center since November, 1982, and in conjunction with the Ohio State University since 1986. Since that time, this organization has undertaken work for numerous clients within all the Neighborhood Commercial Revitalization (NCR) districts. They have provided design assistance to the business associations, their members, and non-members. The Neighborhood Design Center also carries out planning activities as well as assists with financial alternatives within the CDBG service area.

In addition, the Neighborhood Design Center provides exterior design services to any commercial property owner or tenant on the NCR strips. A minor amount of design assistance may well stimulate investment and create a quality business built upon good design. This legislation will authorize the expenditure of \$123,161.00 for the above-mentioned purpose.

Emergency action is requested to avoid an interruption in the administration of the above activity.

FISCAL IMPACT: Funding for the Neighborhood Design Center will consist of \$123,161.00 from the 2011 Community Development Block Grant program.

To authorize the Director of the Department of Development to enter into a contract with the Neighborhood Design Center; to authorize the expenditure of \$123,161.00 from the 2011 Community Development Block Grant Fund; and to declare an emergency. (\$123,161.00)
