Legislation Text

File #: 0606-2011, Version: 1

Background

This legislation will authorize an appropriation of federal grant funds from the unappropriated balance of the Recreation and Parks Grant Fund to the Recreation and Parks Department.

Grant funding is being made available by the Ohio Department of Aging to the Central Ohio Area Agency on Aging in connection with the American Recovery and Reinvestment Act (ARRA) of 2009 through the U.S. Department of Health and Human Services. These funds are to provide evidence-based workshops in connection with The Chronic Disease Self-Management Program and Diabetes Self-Management Program.

These programs are designed to help people gain self-confidence in their ability to manage symptoms and how their problems affect their lives along with teaching skills needed in the day-to-day management in order to maintain and/or increase life's activities.

Emergency action is requested in order to have funding available in the proper accounts for services that began on April 1, 2010.

Fiscal Impact

To reduce the Recreation and Parks Grant Fund's unappropriated balance by \$40,000.00.

To authorize an appropriation of \$40,000.00 from the unappropriated balance of the Recreation and Parks Grant Fund to the Recreation and Parks Department for federal grant funding awarded to the Central Ohio Area Agency on Aging in connection with the American Recovery and Reinvestment Act (ARRA) - Chronic Disease and Diabetes Self-Management Program; and to declare an emergency.
