File #: 1331-2024, **Version:** 1

BACKGROUND: It is necessary to appropriate \$332,932.39 from the unappropriated balance of the Special Revenue Fund, entitled the Police Continuing Professional Training Fund. This appropriation will be used by the Division of Police for officers to attend training seminars and to fund instructor development and the purchase of training supplies and equipment.

In 2007, Ohio Senate Bill 281 was signed into law, thereby enacting a mandatory continuing professional training program for Ohio peace officers. These training requirements can be found in Ohio Revised Code Section 109.802. Ordinance No. 0087-2008, passed on February 4, 2008, authorized the Public Safety Director to participate in the state-funded continuing professional training reimbursement program. The Division of Police complied with this mandate and has received consistent reimbursements from 2008 through 2018. Additional funds were received in 2023 for mandated training to be held in 2024. State law mandates that these funds be kept in a separate account and be used only to pay the costs of Continuing Professional Training programs.
