### **BACKGROUND:**

This legislation will authorize the Director of the Department of Technology, on behalf of the Columbus Public Health Department, to renew an agreement with NextGen Healthcare Information Systems for hosting and ongoing support of an electronic medical record system. The original agreement (EL016122) was authorized by ordinance 1489-2014, passed July 21, 2014, and included four options to renew for additional one year terms. The agreement was most recently renewed and authorized under the authority of ordinance 1299-2016, passed June 6, 2016 through purchase order PO018543. This ordinance will authorize the third renewal option (year four of a five year agreement) providing service for the period August 1, 2017 to July 31, 2018, at a cost of \$212,359.84.

The hosted NextGen system enables the Columbus Public Health Department to operate five major clinical operations, which provide an extensive array of services. The software enables patient registration, appointment scheduling, monitoring and tracking of patient test results, creation and processing of electronic medical records, and generation of reports to help manage clinic operations.

This ordinance also requests approval to continue an agreement with NextGen Healthcare Information Systems, LLC in accordance with sole source procurement provisions of Section 329 of the Columbus City Code as it has been determined that NextGen is the sole provider of direct hosted NextGen systems and is the sole owner of NextGen software.

### **FISCAL IMPACT:**

In 2015 and 2016, the Department of Technology legislated \$177,565.92 and \$183,952.56 with NextGen Healthcare Information Systems, LLC for the provisioning, hosting, and ongoing support services of an electronic medical records system utilized by the Columbus Public Health Department. The cost for the 2017 hosting and ongoing support services for the electronic medical records system is \$212,359.84. Funds are budgeted and available in the Department of Technology, Information Services Operating Fund. Including this ordinance, the aggregate contract total is \$983,878.32.

### **EMERGENCY:**

Emergency legislation is required to facilitate prompt contract execution and related payment for services.

### **CONTRACT COMPLIANCE:**
