Rezoning Amendment: Z18-041A

Ordinance #1038-2019, passed April 29, 2019 (Z18-041), rezoned 9.89± acres at 2441 and 2445 Billingsley Road from L-C-4, Limited Commercial District to L-C-4, Limited Commercial District to permit additional retail display areas for two existing automobile dealerships. That rezoning established use restrictions and supplemental development standards which included setbacks, height, access, landscaping and screening, building design, and commitments for utilities, car transport, and delivery and trash-pick up time restrictions. This requested amendment affects the 4.88± acre eastern dealership on Parcel #590-144972, where, in the renovation of the existing building, ACM panels were used, which are not listed as an approved building material in the limitation text. This ordinance amends the limitation text by removing the building design commitments and updating the submitted site plan. The 5.01± acre western parcel included in Ordinance #1038-2019 is not subject to this amendment, and remains unchanged.
