During 2019, the Fleet Management Division is budgeted to spend \$1.4 million for services to keep the City's fleet of approximately 6,000 vehicles in operation. Fleet Management processes over 40,000 work orders annually for all City vehicles and equipment.

Fiscal Impact: This ordinance authorizes an expenditure of \$200,000 from the Fleet Management Operating Fund from previously established Universal Term Contracts for tire retreading services related to City vehicles. In 2018, the Fleet Management Division expended \$200,000 for tire retreading. In 2017, \$225,000 was expended.

This ordinance is contingent on the passage of the 2019 Operating Budget.

Emergency action is requested to ensure that purchase orders can be established as soon as the City's 2019 Operating Budget is passed to ensure an uninterrupted supply of tire retreading services, thereby keeping City owned vehicles in operation, including Police, Fire, and Refuse Collection vehicles.

To authorize the Director of Finance and Management to associate all General Budget reservations resulting from this ordinance with the appropriate Universal Term Contract Purchase Agreement and to establish related purchase orders for tire retreading services for the Fleet Management Division per the terms and conditions of previously established Universal Term Contracts; to authorize the expenditure of \$200,000.00 from the Fleet Management Operating Fund; and to declare an emergency. (\$200,000.00)

WHEREAS, various Universal Term Contracts (UTC) have been established through the formal competitive bidding process of the Purchasing Office for tire retreading; and

WHEREAS, the Finance and Management Department, Fleet Management Division, has a need to purchase tire retreading for motorized equipment and vehicles operated by the City; and

WHEREAS, it is necessary to authorize the expenditure of \$200,000.00 from the Fleet Management Operating Fund; and

WHEREAS, an emergency exists in the usual daily operation of the Finance and Management Department, Fleet Management Division, in that it is immediately necessary to authorize the Director to issue various purchase orders for tire retreading as soon as the City's 2019 Operating Budget is approved, allowing for timely maintenance, repair, and general upkeep of approximately 6,000 City vehicles, thereby preserving the public health, peace, property, safety, and welfare; **NOW, THEREFORE**
