1. BACKGROUND

This ordinance authorizes the Interim Director of Public Service to modify a professional services contract with True Inspection Services, LLC to add additional funds for the Roadway - Materials Testing and Inspection 2022-1 project.

Ordinance 2968-2022 authorized the Director of Public Service to enter into a professional services contract with True Inspection Services, LLC for the Roadway - Materials Testing and Inspection 2022-1 project. The intent of this contract is to provide the Department of Public Service with continuing, contractual access to additional resources that are necessary to provide inspection expertise and material testing for the department's construction projects.

1.1 Amount of additional funds to be expended: \$500,000.00

The original contract amount:	\$500,000.00	(PO358969, Ord. 2968-2022)
The total of Modification No. 1:	<u>\$500,000.00</u>	<u>(This Ordinance)</u>
The contract amount including all modifications:	\$1,000,000.00	

1.2 Reasons additional goods/services needed:

This is a planned modification that is a continuation of construction inspection services and materials testing for City of Columbus projects. This contract could also be used for non-City projects for which the City is providing construction inspection services and materials testing. This modification is necessary to allow construction to continue on projects currently being built and for construction to start on recently awarded projects. It was deemed to be more cost efficient to modify the existing contract than to bid this part of the work.

1.3 Reason other procurement processes are not used:

The current contract was anticipated to be modified at origination, it was decided that it is in the best interest of the City to modify the existing contract instead of bidding this part of the work.

1.4 How cost of modification was determined:

The cost of this contract modification is consistent with the direct labor, overhead, and profit rates established within the original proposal/contract.

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against True Inspection Services, LLC.

2. CONTRACT COMPLIANCE

The contract compliance number for True Inspection Services, LLC is MBE-011399 and expires 10/19/2024.

3. FISCAL IMPACT

Funding for this contract is available and appropriated within Fund 2241, the Private Construction Inspection Fund, and within Fund 5518, the Construction Inspection Fund.

4. MINORITY AND WOMAN OWNED BUSINESS ENTERPRISE & SMALL LOCAL BUSINESS ENTERPRISE PROGRAM

This contract was bid with a City of Columbus MBE/WBE Program goal of 20% as assigned by the City's Office of Diversity and Inclusion (ODI). Failure by the contractor to meet this goal subjects the contractor to the Penalties for Non-Compliance as described in the "City's Minority and Women-Owned Business Enterprise & Small Local Business

Enterprise Program Manual” and in the “City of Columbus MBE/WBE Program Special Provision” that were part of the bid documents for this contract.

5. EMERGENCY DESIGNATION
