Legislation Text

File #: 0994-2012, **Version:** 1

Background:

This ordinance will enable the Director of Recreation and Parks to apply for, accept a grant from, and enter into agreement with the National Recreation and Parks Association (NRPA) in the amount of \$35,000.00 and to appropriate these monies to the Recreation and Parks Private Grant Fund. The National Recreation and Parks Association (NRPA) received a grant from the Walmart Foundation which will support summer and before/after school food programs for children from low income families as part of USDA reimbursement programs. As the Columbus Recreation and Parks Department conducts a Summer Food Program funded by the USDA through the Ohio Department of Education, it has been selected to receive funding from the NRPA.

Emergency action is requested in order to have funding available for necessary expenditures.

Fiscal Impact:

To accept a grant in the amount of \$35,000.00 from the Walmart Foundation to the Recreation and Parks Private Grant Fund.

To authorize and direct the Director of the Recreation and Parks Department to apply for and accept a grant in the amount of \$35,000.00 from the Walmart Foundation received through the National Recreation and Parks Association to expand the department's summer food program; to appropriate these funds to the Recreation and Parks Private Grant Fund; and to declare an emergency.
