1.2. Reasons additional goods/services could not be foreseen:

This is a three-year agreement for fiscal years 2023 - 2025 for which modifications were anticipated pursuant to the original authorizing legislation under Ordinance 1727-2023 to account for future construction projects being assigned to Prime Construction Management & Survey, Inc., as additional tasks requiring contract modifications to authorize Prime Construction Management & Survey, Inc., to perform those tasks and to add funding to pay for the additional work to be performed.

The cost of this modification was determined by negotiations between Prime Construction Management & Survey, Inc. and Department of Public Utilities project staff based upon the existing contract labor titles, maximum labor rates, allowable contract expenses, and the time estimated to be needed to perform contract tasks.

2. ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT

3. CONTRACT COMPLIANCE INFORMATION

Prime Construction Management & Survey, Inc. contract compliance number is CC-024771 and expires 10/4/2024.

4. MINORITY AND WOMAN OWNED BUSINESS ENTERPRISE & SMALL LOCAL BUSINESS ENTERPRISE PROGRAM

This contract opportunity was submitted to the City's Office of Diversity and Inclusion (ODI) for review and assignment of an MBE/WBE goal prior to bidding. ODI determined there was not an opportunity for MBE/WBE participation in this contract and did not assign a goal. This contract was not bid with a City of Columbus MBE/WBE Program goal and the requirements of the City's MBE/WBE Program are not applicable to this contract. Prime Construction Management & Survey, Inc. is classified as a majority owned company by ODI. No subcontractors are anticipated to be used for these tasks on the contract. The MBE/WBE percentage for this first task is 0.0%.

5. FISCAL IMPACT

Funding for this contract will be obtained through the Ohio Water Development Authority (OWDA) Direct Loan Program. City Council authorized applying for these types of loans and the acceptance of the loan funding via Ordinance 0652-2024, passed by Council on 3/25/24.

The Ohio Water Development Authority (OWDA) Direct Loan Program is a reimbursement program. Purchase orders will need to be established to Prime Construction Management & Survey, Inc. for these contracts. Public Utilities will need to pay invoices directly to Prime Construction Management & Survey, Inc. and then submit reimbursement requests based upon these paid invoices to OWDA for OWDA to reimburse Public Utilities.

A transfer of funds from the Water Reserve Fund, Fund 6003, to the Water Fresh Water Market Rate Fund, Fund 6014, in the amount of \$350,000.12 is needed to fund construction administration and inspection for this project. This transaction is a temporary measure that is required until a loan is executed with the OWDA to reimburse the Water Reserve Fund. The loan is expected to be approved in July 2024. These funds will also need to be appropriated to be transferred and then appropriated after transfer to the new fund. An amendment to the 2023 Capital Improvement Budget is needed to align budget authority with the proper project.

6. EMERGENCY DESIGNATION

Emergency designation is requested for this ordinance. This contract modification provides construction administration and inspection services (CA/CI) for the construction of this project. The construction is partially funded by a grant that requires funds to be encumbered and spent by milestone dates or the grant funding can be reduced or eliminated. The construction ordinance is being done as emergency because of this grant requirement. Construction cannot start without the CA/CI contract being in place, so the CA/CI contract must also be done as emergency to prevent delays in the construction contract that could reduce or eliminate the grant funding obtained for the construction.
