

Legislation Text

File #: 1012-2012, Version: 1

This legislation authorizes the Director of Public Utilities to enter into a planned contract modification (Mod #5) with 360water, Inc. for the purposes of providing on-going Facilities and Safety Training Management and Documentation Services for the Division of Sewerage and Drainage and the Division of Power and Water (Water).

The contract allows for the on-going safety training including General Illness and Illness Response for Employees Training, Laboratory Safety and Inspections, Scissors and Aerial Lifts, Welding/Cutting Safety, Inspection and Maintenance for Eye Wash and Shower Stations, General Housekeeping, Construction Safety, Hand and Body Positioning, Watershed SPCC Training, 910 Dublin Road SPCC Training, Crane Safety. Furthermore the contract includes a continuation of Process Courseware for the WWTPs, Maintenance Tool Training, DPU server maintenance, JPWWTP server maintenance, and the Integrated Contingency Plan updates for the Division of Sewerage and Drainage, a regulatory USEPA requirement. New training includes Red Flag Rule Training, Risk Management Plan, Emergency Overflow Response and Notification Plan Training.

The fifth modification is part of the planned scope of services included in the contract. The original language allowed for five (5) planned modifications. The funding is for approximately one (1) year or until the scope of work is completed and funds are exhausted; this will most likely extend into the first quarter of 2013. It is a logical extension of the original contract and expands the training and documentation to include training staff of the Division of Sewerage and Drainage and Division of Power and Water. The Department of Public Utilities will re-bid this contract after this 5th and final modification.

Amount of additional funds to be expended: \$499,080.00

Original Contract	\$ 150,000.00
Modification # 1 (2007)	\$ 364,345.25
Modification # 2 (2008)	\$ 318,625.00
Modification # 3 (2009)	\$ 280,125.00
Modification # 4 (2011)	\$ 290,775.00
<u>Modification # 5 (2012) Current</u>	<u>\$ 499,080.00</u>
Current Proposed Total	\$1,902,950.25

Reasons additional goods/services could not be foreseen:

This Contract Modification No. 5 was planned and anticipated, and so stated in the original contract's legislation. It is a planned continuation of the services originally included within the existing contract's scope of service.

Reason other procurement processes are not used:

The funding provided by this contract modification is for continuation of the existing work of the contract. In so much as the majority of this work was planned for and anticipated within the original procurement, it is not reasonable or cost effective to undertake a new procurement to acquire these services.

How cost of modification was determined:

The cost of this contract modification is consistent with the direct labor, overhead, and profit rates established within the original proposal. The estimate of the quantity of labor required to provide the scope of services for this modification is consistent with the anticipated level of work required for these tasks and is within the anticipated level of funding originally forecast.
