

Legislation Text

File #: 1873-2024, Version: 1

This legislation authorizes the Director of Public Utilities to renew the existing contract (FEM Project No. 1505.4.) with Cornerstone Maintenance Services, Ltd. for heating ventilation, air-conditioning (HVAC), and air purification maintenance services at various facilities within the Department of Public Utilities (DPU). Facilities served by the contract include the Southerly Wastewater Treatment Plant, Jackson Pike Wastewater Treatment Plant, and Compost Facility within the Division of Sewerage and Drainage (DOSD):

The work to be performed under this contract modification concerns HVAC & air purification units and their associated equipment and systems that require inspection, sampling, testing, troubleshooting, balancing, maintenance, and repair or replacement. This includes maintenance and repair of piping and ductwork. The work may also include software updates for the various HVAC units or any HVAC associated equipment.

This equipment helps ensure required environmental conditions are met in areas housing sensitive electronics crucial to monitoring, operating, and controlling many plant processes and equipment. Regular inspection and maintenance of HVAC and air purification equipment help ensure the equipment operates safely throughout its expected life.

The Department of Public Utilities solicited competitive bids in accordance with Chapter 329 of City Code via RFSQ022406. Two (2) bids were received and opened on August 17, 2022. The Division of Sewerage and Drainage recommended an award be made to Cornerstone Maintenance Services, Ltd., which was deemed the lowest, responsive, responsible, and best bidder. The contract was initially bid as a one (1) year contract with an option for four (4) additional years contingent on consensus of the City and the Contractor and approval of City Council. The original contract was authorized pursuant to Ordinance No. 2415-2022. The first renewal of this contract was ORD 2344-2023, and was passed on 9/18/2023. This renewal is the second renewal to provide funding for the services to be provided through October 2025.
