BACKGROUND: Columbus Public Health operates the Ben Franklin Tuberculosis Clinic under a grant received from the Franklin County Board of Commissioners. Pharmacist services are necessary to ensure compliance with the requirements of the Ohio State Board of Pharmacy. Needed services include: oversight of the storage, inventory, and ordering of stock medications; patient chart review and patient education; staff training and assisting the T.B. physician. In December, 2010, a request for proposals for a three-year period was advertised on Vendor Services via SA003805. A bid proposal was received from three vendors - Pharmacy People, Locum Tenens.com, and RPh On the Go. The proposal from Pharmacy People was the lowest and most responsive bid, therefore, this ordinance will award the third year of a three-year contract to Pharmacy People, Inc. The fee proposed for the third year contract term is \$65.55 per hour for a pharmacist and \$17.25 per hour for a pharmacy technician. The contract amount shall not exceed \$27,500.00 and is for the period February 1, 2013 through January 31, 2014. The contract compliance number for Pharmacy People is 311201354 and is effective through 01/27/2014.

Emergency action is requested to ensure prompt payment for services provided by the contractor.

FISCAL IMPACT: All expenditures from this contract will be fully reimbursed by the grant received from Franklin County for the TB Clinic.

To authorize the Board of Health to enter into a contract with Pharmacy People, Inc. for the provision of pharmacist services for the Tuberculosis Clinic; to authorize the expenditure of \$27,500.00 from the Health Department Grants Fund to pay the cost thereof; and to declare an emergency.
