File #: 1035-2007, **Version:** 1

Background: It is the Transportation Division's responsibility to repair and maintain curbs throughout the City of Columbus. The needed repair to curbs in the downtown area will enhance street appearances, and provide better drainage of storm water. Approximately 12,000 linear feet of curb has been restored in the downtown area from prior contract work and this project will enable the division to complete all curb restorations downtown. The Downtown Curb Restoration - 2007 Phase II project involves the replacement of deteriorated and hazardous curbs in the downtown area of the City of Columbus.

Bids were received by the Transportation Division on May 17, 2007 and the results are as follows:

<u>Contractor</u>	<u>Bid Amount</u>	<u>Contr. Compl.#</u>	<u>Majority/Minority</u>
G & G Cement Contractors	\$351,750.00	31-0924129	Majority
Decker Construction Co.	\$410,725.00	31-0983557	Majority
G. Marchi & Sons	\$459,100.00	31-1632119	Majority
Columbus Asphalt Paving	\$542,412.50	31-0857095	Majority
Gaddis & Sons, Inc.	\$552,665.00	31-0818069	Minority

It is recommended that the contract be awarded to G & G Cement Contractors, CC#: 31-0924129 (expiring 11/20/08) who submitted the best, most responsive bid.

The budget for this project was set at \$500,000.00. Bid prices were lower than expected which will allow additional work to be performed from this contract.

Fiscal Impact: The contract amount is for \$500,000.00 based on the bid documents allowing the City to award a contract for an amount more or less than the amount bid using the bid prices. This ordinance authorizes the expenditure of \$500,000.00 which is budgeted and available within the 2007 C.I.B in the 1995, 1999, 2004 Voted Streets and Highways Fund. \$650,000.00 has been expended on a similar project over the past three years.

Emergency Action is requested so that work can be started this construction season.

To authorize the Public Service Director to enter into a contract with G & G Cement Contractors for the Downtown Curb Restoration - 2007 Phase II project for the Transportation Division; to authorize the expenditure of \$500,000.00 from the 1995, 1999, 2004 Voted Streets and Highways Improvement Fund; and to declare an emergency. (\$500,000.00)

WHEREAS, the need exists for replacement of deteriorated and damaged curbs within the downtown area of the City of Columbus; and

WHEREAS, bids were received and tabulated on May 17, 2007 for Downtown Curb Restoration - 2007 Phase II; and
