Ordinance 1682-2006, passed October 25, 2006, authorized the Director of Education to accept, appropriate and expend monies through a grant from Franklin County Department of Job and Family Services and to enter into contract with Tech Corps Ohio and COWIC for the City Student Tech Corps program. The stipends were to be processed through COWIC, Central Ohio Workforce Investment Corporation. They are sponsoring their own summer youth program and are not able to process our stipends.
