Legislation Text

File #: 1534-2014, **Version:** 1

BACKGROUND: This legislation authorizes up to \$1,000,000 from the Housing Preservation Fund to the Department of Development, Housing Division for targeted distribution through the Driving Park Home Repair Program (aka the James Johnson Home Repair Program). The funds will be used to provide financial assistance to eligible homeowners for necessary and prioritized home improvements within a targeted area of the Driving Park, Old Oaks and Hanford Village neighborhoods.

The Driving Park Home Repair Program represents City Council's commitment to serving the housing needs of the Driving Park neighborhood. Eligible participants are those homeowners who reside within the program service boundaries described in Exhibit A as determined by the Department of Development.

The staffing costs associated with this housing program are initially expensed to the General Fund or other funds, however, project related activities are able to be expensed using capital funds. Time spent on capital-related projects are tracked and expensed accordingly to the appropriate capital fund. The process is consistent with the City of Columbus procedure to reimburse the General Fund or other funds for the portion of the staff time attributable to capital projects.

Emergency action is necessary to allow the Housing Division to make the Driving Park Home Repair Program available to residents without delay.

FISCAL IMPACT: This expenditure is budgeted within the Housing Preservation Fund and is contingent on the 2014 bond sale.

To authorize the Director of the Department of Development to make financial assistance available through the Driving Park Home Repair Program administered by the Housing Division; to authorize the expenditure of up to \$956,875.00 from the Housing Preservation Fund; to authorize the expenditure of \$43,125.00 from the Housing Preservation Fund to reimburse the General Fund or other funds for personnel expenses incurred; and to declare an emergency.
