Legislation Text

File #: 0262-2007, Version: 1

The Refuse Collection Division utilizes 300-gallon containers in its mechanized collection system. These containers are used for replacement, fill-in purposes and special events. The division also requires replacement parts for containers that are not covered by warranties. This legislation authorizes the Director of Finance and Management to establish purchase orders for the purchase of 300-gallon refuse containers and container parts for the Refuse Collection Division per the terms and conditions of existing citywide contracts as follows:

Rotonics Manufacturing, Incorporated - Contract #FL003355, expiring 12/05/09, Total estimated annual expenditure of \$1,559,250.00

Rotonic's CC# is 362467474, expiring 2/13/09.

The total expenditure authorized within this ordinance is \$1,000,000.13.

Fiscal Impact: The Refuse Collection Division budgeted \$4,191,087.00 in the 2006 Capital Improvements Budget for refuse collection vehicles and containers. All but \$13,735.13 of these funds are either expended or encumbered. This expense can be accommodated within the 2004 Voted Refuse Collection Fund, mechanized collection project, by authorizing the expenditure of the remaining funds from the 2006 Bond Sale (\$13,735.13) and by appropriating and transferring \$986,265.00 within the Special Income Tax Fund. This funding method is a temporary measure and this amount will be restored to the Special Income Tax Fund subsequent to the next note/bond sale for refuse collection equipment.

Emergency action is requested to expedite the receipt of these containers/container parts to continue uninterrupted refuse collection service to residents.

To amend the 2006 Capital Improvements Budget; to appropriate and authorize the City Auditor to transfer \$986,265.00 from the Special Income Tax Fund to the 2004 Voted Refuse Collection Fund To authorize the Director of Finance and Management to establish purchase orders with Rotonics Manufacturing, Incorporated, for the purchase of mechanized collection containers and container parts for the Refuse Collection Division per the terms and conditions of existing citywide contracts; to appropriate \$986,265.00 and authorize the expenditure of \$1,000,000.13 or so much thereof as may be needed from the 2004 Voted Refuse Collection Fund; and to declare an emergency. (\$1,000,000.13)

WHEREAS, the Refuse Collection Division has determined the need for additional 300-gallon refuse collection containers and container parts for use in its operations; and

WHEREAS, the 2006 Capital Improvements Budget must be amended; and

WHEREAS, citywide term contracts with Rotonics Manufacturing, Incorporated, exist for the purchase of said needed containers and container parts; and

WHEREAS, the City will sell notes or bonds to fund this project and will reimburse the Special Income Tax Fund the amount transferred; and

WHEREAS, the aggregate principal amount which the city will issue to finance this project is presently expected not to exceed \$986,265.00; and

WHEREAS, an emergency exists in the usual daily operation of the Refuse Collection Division, Public Service Department, in that it is immediately necessary to purchase these containers and container parts to continue uninterrupted refuse collection service to residents, thereby preserving the public health, peace, property, safety and welfare; now therefore,
