File #: 0193-2015, Version: 1

Ordinance number 0932-2014, approved by City Council on May 5, 2014, authorized the Board of Health to enter into a contract with Mount Carmel Health System in the amount of \$25,000.00 to assure quality medical care to eligible persons living with HIV or AIDS in central Ohio (Franklin, Licking, Delaware, Morrow, Union, Madison, Pickaway and Fairfield counties) for the contract period of March 1, 2014 through February 28, 2015.

This ordinance is needed to modify and increase contract EL015769 in the amount of \$40,000.00 for the total contract amount not to exceed \$65,000.00 with Mount Carmel Health System.

This modification is necessary to provide additional funding for Mount Carmel Health System for the provision of outpatient ambulatory laboratory services for HIV care. These services were advertised through vendor services (SA005319) in February, 2014 according to bidding requirements of the City Code.

The modification amount was determined based on negotiations with the vendor. This ordinance will provide anticipated funding for the remainder of the contract period and it would be manifestly impractical to bid this contract for the remainder of the grant period ending February 28, 2015.

The contract compliance number for this provider is:
Mount Carmel Health System - 310645626 - NPO

This ordinance is submitted as an emergency to ensure sufficient funding is available to provide quality medical care to eligible persons living with HIV/AIDS, and to ensure timely payment to this provider.

FISCAL IMPACT: This contract is entirely funded by a grant award from the U.S. Department of Health and Human Services, Health Resources and Services Administration. This ordinance is contingent on the passage of ordinance 0179-2015.

To authorize the Board of Health to modify an existing contract with Mount Carmel Health System for the provision of outpatient ambulatory laboratory services for persons living with HIV or AIDS in Delaware, Fairfield, Franklin, Licking, Madison, Morrow, Pickaway, and Union counties; to authorize the expenditure of \$40,000.00 from the Health Department Grants Fund to pay the costs thereof; and to declare an emergency. (\$40,000.00)

WHEREAS, \$40,000.00 in additional funds are needed for the continued provision of HIV-related outpatient ambulatory laboratory services for Mount Carmel Health System; and,

WHEREAS, it is necessary to modify and increase contract EL015769 with Mount Carmel Health System for these services; and

WHEREAS, this ordinance is being submitted as an emergency measure so that timely payment for HIV Care services can proceed without interruption; and

WHEREAS, an emergency exists in the usual daily operation of Columbus Public Health in that it is immediately necessary to modify contract EL015769 for the immediate preservation of the public health, peace, property, safety and welfare; Now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

That for reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
