Legislation Text

File #: 0423-2005, Version: 1

BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a contract with the Community Shelter Board. The contract will provide \$369,581 from the General Fund to support the Rebuilding Lives program. The Rebuilding Lives Plan is a two-pronged approach to ending homelessness and literally "rebuilding lives." The first prong is meeting the short-term needs of homeless men through an improved safety net of emergency shelter. The second prong is the meeting of long-term needs through the development of permanent supportive housing.

The funds requested under this legislation will be for supportive services to the Rebuilding Lives program. Supportive services will consist of coordination of necessary social services for homeless men and referrals for homeless men to physical and mental health agencies. This funding assures operations and services for 457 units.

This legislation is presented as an emergency because of the need to continue program services without interruption.

FISCAL IMPACT: Funding for this contract is provided from the 2005 General Fund. This contract will cover the term of July 1, 2005 through June 30, 2006 and the amount will be \$369,581. In 2004, the contract amount was \$369,581 and covered the period of July 1, 2004 through June 30, 2005. The contract amount in 2003 was \$505,000.
