Background:

This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Tyeveco, Inc. for the demolition and construction of improvements to Hanford Village Park. Improvements will include the removal of existing pavement and playground equipment which will be replaced with new playground equipment, half-court basketball, additional parking, an open shelter and walking paths. These park improvements were designed with extensive community input which included the Hanford Village Civic Association. One of the most important requests from the community was to improve access to the park which was separated from the neighborhood when I-70 was constructed. Through a coordinated effort with the Department of Public Service, a new pedestrian access will be created through the installation of a new path starting at the corner of Alum Creek Drive and Kent Street. Planning Area: 19

The costs for this project will be \$224,200.00 with a contingency of \$22,400.00 for a total of \$246,600.00.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, on May 29, 2015 and received by the Recreation and Parks Department on June 23, 2015. Bids were received from the following companies:

| <u>Company</u> | <u>Status</u> | <u>Amount</u> |
|-----------------|---------------|---------------|
| Tyeveco | (MAJ) | \$224,200 |
| Greenlawn Farms | (MAJ) | \$269,240 |

After reviewing the proposals that were submitted, it was determined that Tyeveco, Inc. was the lowest and most responsive bidder.

Tyeveco, Inc. and all proposed subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.
