Legislation Text

File #: 2373-2013, Version: 1

BACKGROUND:

This legislation authorizes the Director of the Department of Technology (DoT) to renew an annual software license, maintenance and support agreement, for the BL/LIB Tape Library Management System, with B & L Associates Inc. The original contract (FP004153) was executed August 8, 2001, and most recently renewed through purchase order EL013734, by authority of ordinance 2106-2012 passed September 20, 2012. At a cost of \$14,470.00, this ordinance will provide for payment of the annual software maintenance and support agreement renewal, with the coverage period from January 1, 2014 through December 31, 2014.

The City of Columbus, Department of Technology (DoT) operates two Unisys Mainframe Libra Systems that directly support mission critical applications. The Libra PR system supports the production Payroll system used by all city agencies and the Police and Leads systems, which is used by the Police Department. The Unisys Libra DV system is used as a development system for the production applications running on the Libra PR system, as well as a failover system. In order to meet City and State Record Retention polices and to avoid the interruption of services provided to city agencies and to ensure the continued operations of both Libra Systems, daily, weekly and monthly backups need to be performed and maintained. In order to accomplish successful backups that are generated on different types of tape media, a Tape Library Management System is needed. Without the software licenses, maintenance and support services provided by B & L Associates Inc., the City will not be able to utilize these applications. Also, renewing this agreement will allow the City of Columbus to continue receiving software license upgrades, support and related services for the BL/LIB Tape Library Management System.

B & L Associates Inc. is the sole source supplier for software licenses, maintenance and support for the BL/LIB Software Product licensed to the City of Columbus. B & L Associates is a sole source provider of the Tape Library Management System application that is specific to Unisys Mainframe Systems. Please note that this is a single source purchase because the application is a platform specific to Unisys Mainframe Systems. For this reason, this ordinance is being submitted in accordance with the provisions of Sole Source procurement of the City of Columbus Section 329.07.

EMERGENCY:

Emergency action is requested to expedite authorization of this contract in order to initiate services from the supplier at the prices proposed.
