### **..Explanation**

#### **BACKGROUND:**

This ordinance authorizes the Director of the Department of Technology (DoT) to renew a contract with Brown Enterprise Solutions, LLC for Symantec Veritas NetBackup software maintenance and support. The Department of Technology has a need to renew existing software licenses for the Symantec Veritas NetBackup software to continue support for the existing network backup solution. This purchase is to provide continued disaster recovery support.

The original contract for this purchase was procured through the published solicitation SA005990 (via Ord. No. 2391-2015; EL017673 passed October 26, 2015) with Brown Enterprise Solutions, LLC. and could be extended annually for two (2) additional years, subject to mutual agreement and approval. This ordinance/legislation represents the second of the two allowable renewals. The coverage term period is from October 1, 2017 through September 30, 2018, at a cost of \$230,220.20.

This ordinance also authorizes the Director of the Department of Technology to renew a contract with Software House International Corp. (SHI), for Veeam maintenance and support. The Department of Technology has a need to renew 92 licenses for Veeam software to allow continued growth in the technology environment. The purchase will also provide for continued movement of virtual server backups to a dedicated solution.

The original contract for this purchase was procured through the published solicitation SA005956 (via Ord. No. 2391-2015; EL017770 passed October 26, 2015) with SHI International Corp. and could be extended annually for two (2) additional years, subject to mutual agreement and approval. This ordinance represents the second of the two allowable renewals. The coverage term period is from December 23, 2017 through December 22, 2018, at a cost of \$30,616.68.

The two operating systems and licenses are related and work together with the infrastructure (Network Backup system). The total amount of funding associated with this ordinance is \$260,836.88.

#### **FISCAL IMPACT:**

In 2015 and 2016, the cost for Veeam and Symantec Netbackup software licensing and/or maintenance and support was \$454,563.82 and \$305,789.00, respectively. The 2017 total cost of this contract agreement for Veeam and Symantec Netbackup software maintenance and support services is \$260,836.88, and is available within the Department of Technology, Information Services Division, Information Services Operating Fund.
