File #: 0801-2016, **Version:** 1

BACKGROUND: Each year, the Immunization Program at Columbus Public Health offers flu shots and other various vaccines to the residents of Columbus. To ensure having the necessary vaccines, pre-booking through the manufacturer, Sanofi Pasteur, is the most reliable method of ordering those vaccines. Pre-booking also guarantees on-time delivery and 340B Program pricing. Therefore, competitive bidding is being waived in order to secure our reservation to purchase the vaccine. This ordinance authorizes the Director of Finance and Management to establish a purchase order with Sanofi Pasteur in the amount of \$52,342.02 for the purchase of various vaccines.

Due to the potential health and safety risk of the upcoming flu season, and in order to ensure availability of all vaccines, emergency action is hereby requested. Sanofi Pasteur's contract compliance number is 980033013 and expires 4/15/18.

FISCAL IMPACT: Monies for this purchase order were budgeted in the Health Special Revenue Fund for fiscal year 2016.

To authorize the Director of Finance and Management to establish a purchase order with Sanofi Pasteur for the purchase of various vaccines for Columbus Public Health; to waive the competitive bidding provisions of City Code; to authorize the expenditure of \$52,342.02 from the Health Special Revenue Fund to pay the cost thereof; and to declare an emergency.
