File #: 0596-2023, Version: 1

BACKGROUND: Columbus City Council (“**COUNCIL**”), by Ordinance No. 0154-2021, passed February 22, 2021, authorized the City of Columbus (“**CITY**”) to enter into an Enterprise Zone Agreement (the “**AGREEMENT**”) with T. Marzetti Company (“**ENTERPRISE**”), for a real property tax abatement of seventy-five percent (75%) for a period of ten (10) consecutive years in consideration of a proposed total capital expenditure of approximately \$18,000,000, which included \$5.4 million in real property improvements, \$2.6 million in improvements, and \$10 million in machinery and equipment to expand its current manufacturing facility. Additionally, the **ENTERPRISE** committed to create twenty (20) net new full-time permanent positions with an annual payroll of approximately \$900,000 and retain one-hundred four (104) full-time jobs with an annual payroll of approximately \$5,742,374 (the “**PROJECT**”) at 1709 Frank Road, Columbus, Ohio 43223, parcel number 570-126842 within the City of Columbus and within the City of Columbus Enterprise Zone (the “**PROJECT SITE**”). The **AGREEMENT** was made and entered into effective April 22, 2021 with the **PROJECT** expected to begin approximately spring 2021, with all real property improvements expected to be completed by October 2022 and with the abatement to commence no later than 2022 nor extend beyond 2031 (Agreement No. 023-21-11).

Paragraph fourteen within Section 7 (Program Compliance) of the **AGREEMENT** states that the “**AGREEMENT** is not transferable or assignable without the express, written, approval of the **CITY**” and paragraph fifteen of that same section states that “any requested amendment...to any of the terms of the **AGREEMENT**...shall require the payment to the **CITY** by the **ENTERPRISE** of an **AMENDMENT FEE** in the amount of five-hundred dollars (\$500.00).”

In a letter received by the **CITY** on behalf of the **ENTERPRISE** dated January 25, 2023, and through ensuing correspondence, it was confirmed that Marzetti Manufacturing Company has acquired ownership of the **PROJECT SITE** from T. Marzetti Company with the transfer having been recorded at the County Auditor’s Office on December 22, 2022. Through an internal company restructuring, the **ENTERPRISE** transferred its operations, along with its other manufacturing-related assets, to its wholly-owned subsidiary, Marzetti Manufacturing Company. Due diligence has been undertaken by the **CITY** in that Marzetti Manufacturing Company has agreed to fully assume the terms and commitments of the **ENTERPRISE** pursuant to the **AGREEMENT**, has submitted an updated Economic Development Incentive Application, the five-hundred dollars (\$500.00) Amendment Fee and that this application and all other pertinent information has been reviewed and vetted.

This legislation is to authorize the Director of the Department of Development to amend the **AGREEMENT** for the first time for Assignment & Assumption to (1) remove T. Marzetti Company as **ENTERPRISE** and party to the **AGREEMENT** and to be replaced with Marzetti Manufacturing Company as **ENTERPRISE** and party to the **AGREEMENT**, whereby Marzetti Manufacturing Company will assume the terms and commitments of the **AGREEMENT**, and (2) revise the notice information related to **ENTERPRISE** within Section 7 of the **AGREEMENT**.

Based on the above, the Director of the Department of Development of the **CITY** has investigated the Economic Development Application of Marzetti Manufacturing Company and concurs with the Columbus City Council on the basis that Marzetti Manufacturing Company is qualified by financial responsibility and business experience to create and preserve employment opportunities in the Columbus Enterprise Zone and improve the economic climate of the **CITY**; and

This legislation is being presented as an emergency measure in order for this amendment to be legislated in as expedient a manner as possible so that this amendment to the **AGREEMENT** might be fully executed with the proper property

owner, which will allow the **ENTERPRISE** to remain in compliance and receive any future tax savings from the proposed abatement.
