The Franklin County Convention Facilities Authority (FCCFA) presently owns a convention facility known as the “The Greater Columbus Convention Center” (Existing Convention Facility) and a 532 room full service hotel (Existing Hotel), providing meeting space, restaurants, and support facilities for Columbus visitors. Under the Cooperative Agreement dated as of January 1, 2010 (Cooperative Agreement) with the Franklin County Board of Commissioners and the FCCFA to support the financing of the Existing Hotel, the City of Columbus (City) pledged to transfer to the FCCFA an amount equal to the Hotel-Motel Excise Tax, as defined in Columbus City Code Chapter 371, generated by the Existing Hotel to pay debt service on bonds issued by the FCCFA.

Additionally under the Cooperative Agreement, the City pledged to transfer to the FCCFA up to \$1.4 million from the City of Columbus Parking Meter Fund to pay debt service on the Existing Hotel in the event the FCCFA and Franklin County (County) were unable to meet their respective obligations. To date, performance of the Existing Hotel has surpassed projections, the revenue generated from the Existing Hotel has exceeded that required to meet debt service, and significant reserve funds have accrued. As such, the \$1.4 million remains on account with the City.

Columbus has attracted large national and international conferences and sporting events, and continues to be a destination for business and leisure travel. To provide an adequate number of full service hotel rooms necessary to attract additional and larger conferences, conventions, and sporting events, the FCCFA has proposed the construction of an expansion (Hotel Expansion) to the Existing Hotel. The Hotel Expansion would add approximately 470 full service guest rooms and an estimated 54,100 square feet of convention meeting space, restaurants, and support facilities, at an estimated cost \$210 million. The Hotel Expansion would increase the capacity of the Existing Hotel to 1,000 full service guest rooms attached to the Existing Convention Facility. Columbus City Council passed Ordinance 1323-2018 on May 21, 2018, to support a Memorandum of Understanding with the FCCFA and Franklin County

Funding for the Hotel Expansion will be the responsibility of the FCCFA, which will issue one or more series of Hotel Expansion Bonds. The FCCFA proposes to lease the Hotel Expansion to the County and City pursuant to certain lease agreements, and to sublease the Hotel Expansion back from the County and City. The lease/sublease arrangement will enhance the marketability of the Hotel Expansion Bonds, allowing the FCCFA to reduce financing costs associated with the Hotel Expansion.

Future debt service payments will be the responsibility of the FCCFA utilizing revenue generated by the Hotel Expansion and other pledged revenues. It is presently contemplated that the Lease Revenue Bonds will be secured by the agreement of the City and County, severally, to support the payment of a portion of the annual debt service on the Lease Revenue Bonds in the event that the FCCFA does not have sufficient funds in any given year to pay debt service on the Lease Revenue Bonds.

The respective support obligations of the City and the County will be subject to annual appropriations by Columbus City Council and the Franklin County Board of Commissioners and will only be utilized in the event debt service cannot be paid in full by the FCCFA. Under no circumstances are the City and the County responsible for the cost of the construction of the Hotel Expansion.

Under the First Supplement to the Cooperative Agreement (First Supplement), subject to adoption of a future ordinance (s), the City will also pledge to transfer to the FCCFA an amount equal to all Hotel-Motel Excise Taxes, as defined in City Code Chapter 371, generated by the Hotel Expansion to the FCCFA, to pay debt service on revenue obligations issued by the FCCFA to finance the Hotel Expansion.

In addition, the First Supplement will establish the expectation that the FCCFA, the City, and the County will pursue strategies that might allow for debt to be retired early and/or reduce the City and County's financial commitment should performance of the Hotel Expansion exceed projections.

This ordinance will authorize the Director of Finance and Management or the Mayor to execute the First Supplement on behalf of the City and to approve additions, changes or amendments to such document, which would not substantially amend or increase the duties of the City as set forth in the version of the Cooperative Agreement currently on file.

Additionally, the City is concerned with the creation of living-wage jobs, which help residents support their families, afford stable housing, and access more opportunity. Living-wage jobs are also critical to maintaining a healthy city budget, which is increasingly supported by income taxes and which suffers when wages are stagnant or low. Due to the City's interest in family-supporting jobs, any party employing staff at the completed Hotel Expansion shall pay its employees no less than \$15 per hour and shall execute a lawful neutrality agreement.

This legislation is being submitted for approval under Section 44-1(b) of the Columbus City Charter. Request is being made to waive second reading for passage due to the fact that the FCCFA is preparing to issue Bonds to finance the Hotel Expansion described herein, which the Hotel Expansion Bonds are to be secured, in part, by the revenues provided for by this Ordinance.

**Fiscal Impact:** There are no immediate costs to the City associated with *First Supplement To The Cooperative Agreement Dated As Of January 1, 2010*. The City's commitment is contingent upon annual appropriations and subject to authorization by Columbus City Council.

To authorize the Mayor or the Director of Finance and Management to execute and deliver, on behalf of the City, the First Supplement To The Cooperative Agreement Dated As Of January 1, 2010 with the Franklin County Convention Facilities Authority and Franklin County pertaining to the construction of a convention center hotel expansion. (\$0.00)

The expansion of the Existing Hotel will increase the number of convention-quality hotel rooms and convention space available in the City in order to attract more and larger conventions, resulting in substantial public and economic benefits to the City, the FCCFA and the County; and

**WHEREAS**, The City is concerned with the creation of living-wage jobs, which help residents support their families, afford stable housing, and access more opportunity and which also enable employers to retain employees, to invest in their professional training, and to enjoy the business benefits of a professionalized work.
