BACKGROUND: Laboratory testing and diagnostic services are required to assure quality laboratory services to eligible persons living with HIV or AIDS in Central Ohio for the Ryan White Part A HIV Care Program. This ordinance authorizes the Board of Health to enter into contract with Ohio State University Hospital in the amount of \$81,734.00 to provide laboratory testing services for Ryan White Part A medical providers for the period of March 1, 2016 through February 28, 2017. One of the providers contracted for Ryan White services is OSU Internal medicine, LLC. They are required to utilize labs within the OSU system. The contract compliance number for Ohio State University Hospital is 005111.

FISCAL IMPACT: This contract is entirely funded by a grant award from the U.S. Department of Health and Human Services, Health Resources and Services Administration.
