Council Variance Application: CV05-026

APPLICANT: Brian Humble; 1240 Williams Road; Columbus, Ohio 43207.

PROPOSED USE: To conform an existing single-family dwelling in the M, Manufacturing District.

CITY DEPARTMENTS' RECOMMENDATION: Approval. This variance will allow an existing single-family dwelling to be conforming in the M, Manufacturing District. A Council variance is necessary in that single-family dwellings are prohibited in the M, Manufacturing District. A hardship exists in that the lending institution will only finance a conforming use in the district, and the owners cannot preserve the building without additional financing.

WHEREAS, Section 3363.01, M-manufacturing district, prohibits single-family dwelling use, while the applicant proposes to make an existing single-family dwelling a conforming use on the property; and

WHEREAS, City Departments recommend approval and note a hardship exists because the lending institution will not finance this existing non-conforming use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1240 WILLIAMS ROAD (43207)**, in using said property as desired; now, therefore:
