BACKGROUND: The Columbus Urban Growth Corporation purchased and renovated the Crosstown Building located at the Four Corners Development Site, in Linden, in 2000. The building was renovated to accommodate a restaurant as well as office space for small professional businesses. Since that time the Linden Café has been operating as a full service restaurant, drawing patrons locally as well as regionally. After seven years of operation the restaurant is in need of several improvements including a new vent hood, additional ventilation improvements and general sprucing-up, totaling \$70,000.

This legislation authorizes the Director of the Department of Development to appropriate and expend \$70,000 from the Urban Site

Acquisition Loan Fund and to enter into a loan agreement with Columbus Urban Growth Corporation for improvements to the Linden Café restaurant, totaling the \$70,000.

Emergency action is requested to allow the restaurant improvements to begin in a timely manner.

FISCAL IMPACT: The \$70,000 for the loan will come from the Urban Site Acquisition Loan Fund. This legislation authorizes the transfer, appropriation and expenditure of those funds.
