**Background:** This legislation authorizes the Finance and Management Director to issue purchase orders for automotive parts, supplies, and accessories for the Fleet Management Division. Formal competitive bids were taken by the Purchasing Office and Universal Term Contracts are in place for most of these parts, supplies, and accessories. These are used to repair approximately 3,200 city vehicles. One purchase order (Vermeer of Southern Ohio, Inc.) authorized by this ordinance is awarded through the sole source procurement provisions of the Columbus City Codes.

**Fiscal Impact:** The Fleet Management Division 2007 operating budget contains nearly \$4 million for the purchase of automotive parts, supplies, and accessories. This legislation authorizes an expenditure of \$202,131.00 with various vendors to purchase automotive parts, supplies, and accessories. Approximately \$4.2 million was expended for similar items in 2006 and \$4.1 million for these items in 2005.

**Emergency action** is requested in order to ensure an uninterrupted supply of vehicle parts, supplies, and accessories, thereby keeping City owned vehicles in operation, including police cruisers and refuse collection equipment.

To authorize the transfer of funds within the Fleet Management Services Fund; to authorize the Finance and Management Director to issue various purchase orders for automotive parts, supplies, and accessories for the Fleet Management Division per the terms and conditions of Universal Term Contracts; to authorize the Finance and Management Director to issue a blanket purchase order for the Fleet Management Division according to the Columbus City Codes provisions for sole source procurement; to authorize the expenditure of \$202,131.00 from the Fleet Management Services Fund; and to declare an emergency. (\$202,131.00)

**WHEREAS,** Universal Term Contracts (UTC) have been established through the formal competitive bid process by the Purchasing Office, and

**WHEREAS,** the Finance and Management Department, Fleet Management Division, has a need to purchase automotive parts, supplies, and accessories for motorized equipment, and

**WHEREAS,** it is necessary to transfer funds within the Fleet Management Services Fund in order to ensure proper funding for parts and services, and

**WHEREAS,** it is necessary for the Finance and Management Director to establish a purchase order per the sole source provisions requirements of the Columbus City Codes for Vermeer of Southern Ohio, Inc., and

**WHEREAS,** an emergency exists in the usual daily operation of the Finance and Management Department, Fleet Management Division, in that it is immediately necessary to issue various purchase orders for automotive parts, supplies, and accessories for the repair of approximately 3,200 city vehicles, keeping them operating, thereby preserving the public health, peace, property, safety, and welfare; now, therefore:
