BACKGROUND:

This legislation authorizes the Director of the Department of Technology (DoT) to modify and extend a contract with Computer Associates International, Inc. This application enables the Help Desk to have the ability to establish trouble tickets, receive alert messages which provide and classify detail information related to system and database problems, distribute the messages to the appropriate technician and allow the technicians the ability to remotely resolve system problems experienced throughout the City. This ordinance will provide funding for year two of a three year agreement, ending February 28, 2009.

FISCAL IMPACT:

During fiscal year 2004, this agreement was implemented as a three-year agreement, by the Department of Technology, contingent upon approval of funding on an annual basis. The agreement began March 1, 2004 and ended on February 28, 2007, with an initial cost, for the first year, of \$13,000.00 and \$24,000.00 for each subsequent year. The 2007 agreement is also being implemented as a three-year agreement, by the Department of Technology, contingent upon approval of funding on an annual basis. The agreement began upon approval and will end February 28, 2010, with an initial cost, for the first year, of \$25,000.00 and \$25,000.00 for each subsequent year. This fiscal year, the services associated with this agreement will cost \$25,000.00. These funds are available within the Department of Technology, Information Services Fund, for the coverage period and will begin upon approval through February 28, 2009.
