Background: The following legislation authorizes the City Attorney to file the necessary complaints for the appropriation of construction and permanent easements in and to real estate necessary for the **OSIS Augmentation and Relief Sewer (OARS) Project**.

Fiscal Impact: Funding for this project is from the Department of Public Utilities, Division of Sewerage and Drainage, Voted Sanitary Sewer Bond Fund.

Emergency Justification: The Division of Sewerage and Drainage is requesting City Council to consider this ordinance an emergency measure. The OSIS Augmentation and Relief Sewer Project (OARS) is one of the projects that the Division is required to be completed in accordance with the provisions of an existing consent order between the City and the Ohio Attorney General's Office. Failure to adhere to the project schedule contained within the consent order will make the City liable for stipulated fines.

To authorize the City Attorney to file the necessary complaints for the appropriation of construction and permanent easements in and to real estate necessary for the **OSIS Augmentation and Relief Sewer (OARS) Project**, and to declare an emergency

WHEREAS, the City of Columbus, Ohio, a municipal corporation, is engaged in the acquisition of certain real property interests for the **OSIS Augmentation and Relief Sewer (OARS) Project**; and

WHEREAS, the Council of the City of Columbus, Ohio, adopted Resolution No. 0016X-2008, on the 4th day of February, 2008, declaring the necessity and intent to appropriate the real property interests hereinafter described and the purpose of the appropriation, and notice of such adoption of said resolution has been served in accordance with Columbus City Code Sec. 909.03; and,

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Utilities, Division of Sewerage and Drainage, in that it is necessary to appropriate such real property interests so that there will be no delay in the aforementioned project, and for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That construction and permanent easements in, over, under, across and through the following described real property, be **OSIS Augmentation and Relief Sewer (OARS) Project, # 650704**, pursuant to the power and authority granted to a municipal corporation by the Constitution of the State of Ohio, the Ohio Revised Code, Sec. 715.01, Sec. 717.01, Sec. 719.01 through Sec. 719.02; the Charter of the City of Columbus; and the Columbus City Code (1959), Chapter 909:
